

THE 4TH EDITION OF THE EXECUTIVE SEMINAR SERIES

2018

BACKGROUND TO THE 2018 EDITION OF THE EXECUTIVE SEMINAR SERIES

Sexuality Education is an important subject in Uganda. In recognition of the need to raise more awareness on this subject, the Hon. Ministry of Education and Sports has recently launched the National Sexuality Education Framework, which provides guidelines on how Sexuality Education should be handled in schools. There is an urgent need to disseminate this information far and wide among the Secondary Education sub-population.

The purpose of this year's Executive Seminar for Head Teachers and Proprietors is to build the capacity of head teachers of Second Cycle Institutions in Uganda to enable them to champion the cause values-based Sexuality Education in Uganda

Advocate For Youth is specialized in achieving the health goals through the Education system of African countries by engaging, in a unique manner, stakeholders in the sector to tap the hidden resources for national development

The Executive Seminar is an innovation of Advocate For Youth, organized with technical and advisory support from UNFPA, UNESCO and UNAIDS, and Reproductive Health Uganda, under the auspices of the Ministry of Education.

Advocate For Youth is committed to building partnerships that produce positive synergies between government agencies, NGOs, the private sector and other relevant institutions. The organization is specialized in the empowerment of adolescents and young people in Second Cycle Institutions within Africa.

With more than 14 years of rich multiple country experience in working with Ministries of Education and of health to design innovative ways of engaging this marginalized demographic and projecting their voices.

We have our unique BCC approach of engendering and fostering an effective dialogue among adolescents and young people as a strategy for:

- Improving knowledge on Sexual and Reproductive Health and Rights
- Preventing HIV/AIDS and STIs among adolescents and young people in Africa
- Reducing the Family Planning
- keeping them safe from abuse and exploitation.

Aim, through our innovative projects, to help accelerate progress towards the achievement of:

- Sustainable Development Goal 3 (Health, with a focus on Sexual and Reproductive Health and Rights)
- Sustainable Development Goal 4 (education, with a focus on improving quality of education outcomes) and
- Sustainable Development Goal 5 (Gender Equality)
